

Hoosiers for a Commonsense Health Plan

Citizens united for universal healthcare

Did you know that in Indiana 1 in 8 of us has no health insurance at all, including over 100,000 children? That people without health insurance live sicker and die younger?

We live in the wealthiest nation on earth and our health costs are twice those of countries with universal health care.

HCHP is a group of Indiana residents working together for health coverage for every Hoosier. We can achieve this goal with your support. Visit our web site to learn more, and see how you can help: **www.HCHP.info**
