Support House Resolution 676
The United States Health Insurance Act
To the Indiana Congressional Delegation, House of Representatives

We the undersigned residents of Indiana petition the Congress of the United States of America to pass HR 676, The United States Health Insurance Act which:

* Ensures quality health care *and* freedom to choose one's own doctor
* Eliminated deductibles and co-pays
* Saves hundreds of billions of dollars by reducing inefficiency and administrative overhead
* Frees American business from the burden of escalating healthcare costs
* Liberates employees and unions from dependence on employers for health insurance
* Guarantees coverage for all medically necessary care and prescriptions, mental health services, dental vision, long-term
